#### **Situation Summary:**

COVID 19 has reached global transmission.

- Risk Assessment for travel:  
<https://www.cdc.gov/coronavirus/2019-ncov/travelers/map-and-travel-notice.html>
- All 50 states, The District of Columbia, Puerto Rico, Guam, the Northern Mariana Islands, and the US Virgin Islands have reported cases of COVID-19.
- 27 states report more than 40,000 cases of COVID-19
- For case information by state follow this link:  
<https://www.cdc.gov/coronavirus/2019-ncov/cases-updates/cases-in-us.html#reporting-cases>

CDC has begun recommending all individuals wear facemasks to reduce the chance of transmission while out in public as of 4/3/2020. Children under the age of 2 should not wear masks because of suffocation risk.

More than half of the states in the United States have issued state wide mask mandates.

The CDC has updated guidance to change when isolation should end for a positive case of COVID 19, now reflecting one day free of fever and an improvement in symptoms. Isolation should end 10 days after symptoms have started. Links for this updated guidance can be found:

- <https://www.cdc.gov/coronavirus/2019-ncov/hcp/disposition-in-home-patients.html>

US travelers are banned from visiting: EU, Bahamas, China, Mexico, Canada, New Zealand and Japan

Trump Administration announced it will partner with CVS and Walgreens to deliver safe and effective COVID-19 vaccines to one of our most vulnerable populations in long-term care facilities (LTCFs) across America.

Adults of any age with the following conditions are at increase risk for more severe illness from COVID-19

- Cancer, Chronic kidney, COPD, Heart conditions, Immunocompromised state, Obese, Severely Obese, Sickle cell disease, Smoking, Type 2 diabetes mellitus

Adults of any age with the following conditions might be at risk for more severe illness from COVID 19.

- Asthma, Cerebrovascular disease, Cystic fibrosis, Hypertension, Immunocompromised state, Neurologic conditions, Liver Disease, Overweight, Pregnancy, Pulmonary fibrosis, Thalassemia, Type 1 diabetes mellitus

### **City/County Information:**

On March 16, 2020 the City of Columbia declared a state of emergency within the city to respond to COVID-19. The resolution includes calling for proactive measures to protect the public health, safety and welfare; expressing support for and calling upon City Manager John Glascock and Public Health and Human Services Director Stephanie Browning to enact regulations to protect the public health, safety and welfare.

- Columbia/Boone County hosts an information hub on COVID Cases that have been identified in the county, as well as information about the catchment area cases that the hospitals serve
- <http://gocolumbiamo.maps.arcgis.com/apps/MapSeries/index.html?appid=478880b83d5e4d3> HYPERLINK  
"<http://gocolumbiamo.maps.arcgis.com/apps/MapSeries/index.html?appid=478880b83d5e4d35b646d80fe6f2c2f6>"5b646d80fe6f2c2f6
- There are 12,254 confirmed cases in Boone County, 40 patients passed away, and 11,305 have recovered from the COVID 19 illness.

Columbia and Boone County extended the Public Health Orders for Social Distancing to begin on November 17 and continue until another Public Health Order is issued or expire on December 8, they can be found at:

City- <https://www.como.gov/wp-content/uploads/City-Health-Order-2020-15-Final.pdf>

County- <https://www.como.gov/> HYPERLINK  
"<https://www.como.gov/wp-content/uploads/County-Health-Order-2020-Final.pdf>"wp-content/uploads/County-Health-Order-2020-Final.pdf

Columbia City Council Passed Mask Ordinance that will go into effect at 5:00 PM on July 10, 2020. It can be found:

<https://www.como.gov/wp-content/uploads/B168-20A-AKA-Face-Mask-Ordinance.pdf>

Boone County released an order from Public Health for a Mask Ordinance that went into effect on 11/25/2020 at midnight:

<https://www.como.gov/CMS/pressreleases/downloadfile.php?id=2565>

Boone County Office of Emergency Management opened a virtual EOC on 3/17/2020 to facilitate the coordination of efforts and resources to keep Boone County safe during COVID-19 response efforts.

Columbia Public Schools returned to in seat classes for K-5 on 10/19/2020.

The City of Columbia Neighborhood Services, in their role as Volunteer Coordination of the Boone Emergency Response Plan, has activated a COVID 19 Volunteer webpage, it can be found here: <https://www.como.gov/volunteer/covid/>

The City of Columbia has a dedicated webpage that provides a summary of City of Columbia services as they related to COVID-19 and it can be found here <https://www.como.gov/coronavirus/>

Received waiver from FDA for non-congregate feeding sites, this allows Columbia Public Schools and other children feeding programs to provide meals to children throughout the summer. <https://www.fns.usda.gov/cn/covid-19/non-congregate-feeding-nationwide-waiver-extension>

As ESF-6 lead, City of Columbia Division of Human Services has activated a COVID-19 Get Help webpage website to list key human services resources needed during the pandemic: COVID-19 Get Help (<https://www.como.gov/health/gethelp-coronavirus/>).

As ESF-6 lead, City of Columbia Division of Human Services has organized five local funders (City, County, United Way, Community Foundation, and VU Foundation) in a collaborative called ComoHelps (<http://comohelps.org>). Through this collaborative we have consolidated financial donations for the COVID-19 response. Financial contributions are being routed to the Heart of Missouri United Way and the Community Foundation of Central Missouri. Nonprofit and governmental volunteer needs are posted, along with the opportunity for community members to sign up as unaffiliated volunteers for assignment as needed.

ComoHelps also developed a single, joint application for nonprofits to submit requests for funding. This expedites access to support for nonprofits and allows us to coordinate funding used in response to the COVID-19 pandemic. The ComoHelps collaborative meets daily to review and prioritize requests and to allocate funding. The current focus is on funding services being provided in response to COVID-19. Requests for nonprofit sustainability are being referred to federal CARES Act programs and tabled for later consideration. Because this funding collaborative is so unique, ComoHelps have received grants from state and national foundations.

The University of Missouri hosts a walk up clinic for COVID 19 testing to its MU Students beginning 8/24/2020.

MU Healthcare hosts a drive thru COVID 19 testing site located at 115 Business Loop 70 W. The site hours of operation to Mon-Fri 8 AM to 7 PM, Saturday 8 AM to Noon, and closed on Sundays.

Boone Hospital hosts a drive thru COVID 19 testing site. This site's hours of operation are Mon-Fri 8 AM-4:30 PM, and Saturdays 8 AM to Noon, closed on Sundays.
